

# “Celebrate May” Wine Tasting

Monday May 2, 2016

4:30 – 6:30pm

## **Teira Dry Creek Sauvignon Blanc**

**glass** \$7.00

**bottle** \$18.95

This dry white wine strikes the elusive balance between new world and old world style on the nose and palate. Classic Sancerre-like minerality anchors the aromas, which are a complex array of pineapple, pear and white peach, overlain with herbs and spicy tropical fruits. Light and crisp on the attack, palate adds flavors of spicy grapefruit, tangerine and lemon zest. Balance, elegance and intensity of flavor are the key features of this wine, which finishes with a bright acidity that begs another sip... over and over again!

## **Pietra Santa Merlot**

**glass** \$7.95

**bottle** \$22.50

A quintessential Merlot, this wine boasts concentrated flavors of ripe plum and cherry with a hint of cassis and cedar. A velvety texture makes the perfect foil for the extracted flavors, while balanced structure allows this wine to stand up to many cuisines.

## **Sparkman Kindred Red Blend**

**glass** \$9.25

**bottle** \$28.00

Kindred layers the plump juicy blueberries and cream richness of malbec, the structure and classic crème de cassis and cherry pie of cabernet sauvignon and milk chocolate and plums of merlot with a pinch of the violet and spice of cabernet franc to create a beauty that seriously over delivers. Try this wine with a variety of foods, on a picnic, or just with some family and friends.

## **Sparkman “Birdie” Riesling**

**glass** \$8.50

**bottle** \$24.95

Birdie, the world champion of the Wine Enthusiast wine scoring Riesling world is dry, yet fruity, minerally, yet deeply textured, and is loaded with aromas of apple, peach and Asian pear, honeysuckle and cardamom. You just might experience the flavors of Bosc pear, Fuji apple, Catalonian blood orange, Turkish white nectarine, and Columbia River Valley crushed rocks. More versatile in food pairing than bacon. Which is something.
